

Important information for applicants

What must an application folder contain?

The following documents must be included in the application folder for the German employer:

-)] Cover letter addressed to us with the desired profession in English or German.
-)] Curriculum vitae in German or English (PDF document)
-)] School reports, original copy and translated into German or English (PDF document)
-)] Training certificates, in original copy and translated into German or English (PDF document)
-)] Certificates from employer, original copy and translated into German or English (PDF document)
-)] Diplomas, in original copy and translated into German or English (PDF document)
-)] German diploma from the Goethe-Institute in your home country (in PDF translated into German and in original)
-)] On recruitment: Doctors C1, nurses B2 and specialised nurses are as well B2.
-)] Passport with all pages copied
-)] A new police clearance certificate (not older than 1 month) issued by your local authority (as a PDF translated into German and in original)
-)] Doctors also need a German licence to practise medicine for the German labour market. If not yet available, please indicate in the cover letter when the German licence to practise medicine follows.
